MANAGEMENT PROCESSES TO CONSIDER FOR IMPROVEMENT	CRITERIA (Rate on a scale of 1 to 4)			TOTALS
	Feasibility	Impact on Results	Frequency	

Note: "1" is for the more unfavorable situation, such as the least potential impact. "4" is for the most favorable situation.

Criteria Definitions:

Feasibility: What is the likelihood for the center staff to be able to make changes and improve the process, including having the resources and the authority to do it?

Impact on Results: How much does the process influence the center's ability to achieve their results?

Frequency: How often does the process happen? Very often? Rarely?
