Subject of procurement: Conducting Accreditation Survey at Designated Hospitals

RFP Number: RFP-IREMERW-2023-01

Date of issue: 27th November 2023

Dear Prospective offer/Bidder

Management Sciences for Health (MSH) is a global nonprofit advisory organization that provides governments, health organizations, and the private sector with the strategies, tools, and management support to deliver high-functioning health systems effectively and efficiently. We advance knowledge and technology globally to help people locally achieve health for all. From the Ministry of Health to the community, from the private sector to civil society, as trusted advisors, we deliver the fundamental changes that support the entire health system. MSH is a mission-driven global health nonprofit organization. For more than 50 years, we have focused on the people at the heart of the healthcare system in every environment in which we work.

MSH is currently implementing a five-year USAID funded Health Systems Strengthening Next (HSS NEXT) activity, named USAID Ireme. It is a collaborative initiative that aims to improve the resilience of Rwandan health system by optimizing available resources and ensuring quality and equitable health outcomes for all Rwandans. As part of its comprehensive approach to ensure provision of high quality and safe health care services to the people of Rwanda, the Ministry of Health (MOH) has adopted healthcare facility accreditation as a priority strategy to create a sustainable process for implementing and measuring achievements in continuous improvement of healthcare services throughout the country.

It is against this background that the MOH, USAID Ireme Activity, led by MSH, intends to procure and engage local organizations to conduct the 2024 hospital accreditation survey to measure compliance towards quality standards in designated public sector provincial and district hospitals using the Rwanda Hospital Accreditation Standards and the Rwanda Hospital Accreditation Standards Performance Assessment Toolkit

Offerors should submit a separate full proposal for each cluster they intend to bid for. MSH is not responsible for any costs incurred by the Offeror for preparing, submitting, or revising the proposal. All communications regarding this RFP should be addressed via email: rwssbids@msh.org
